

**ORDINANCE NO. 449 Series 2026 - 2027**

AN ORDINANCE OF THE CITY OF LYNNVIEW, JEFFERSON COUNTY, KENTUCKY PROHIBITING STREET PARKING DURING SNOW EMERGENCIES.

WHEREAS, City streets are designed to handle vehicular parking without obstruction of roadways, parking during snow emergencies restricts the city from adequately plowing the roadways and they become dangerous to pedestrians and vehicles. This also limits the ability of emergency vehicles to access residential properties when snow has not been removed. As such, parking on the streets during snow emergencies creates a potential safety hazard and liability for the city and results in increased maintenance and repair costs for streets; and

WHEREAS, safe passage and transport is required for all residential properties during snow emergencies; and

WHEREAS, every resident has a right to safely travel on all roadways at any time regardless of all unrelated weather conditions; and

WHEREAS, pedestrians must be afforded equitable means of walking should sidewalks be obstructed by snow or other activities unrelated to weather conditions;
